Safety is Our Priority

Election officials are focused on protecting the health of voters and poll managers. We are taking steps to ensure a safer environment with touchless voting and social distancing measures.

What is Being Done?

- Every voter in South Carolina is now qualified to vote absentee in the June Primaries and Runoffs. The provision expires on July 1, 2020.
- Poll managers will receive special Covid-19 training on applying social distancing and maintaining sanitary conditions in the polling place.
- Poll managers are being provided:
  - Masks, face shields and gloves.
  - Sneeze guards for check-in stations.
  - Sanitizing wipes for frequent cleaning of common surfaces.
- Check-in stations and voting equipment will be spaced at least six feet apart.
- Voters will be provided disposable cotton swabs for making selections on the touchscreen.
- Hand sanitizer will be provided for voters and poll managers.
